I, the student, understand **my obligations** to provide my private instructor with this form to be excused from in-school lessons. This form must be submitted during the last week of the month (or within an appropriate time after). Credit for lessons will be provided back to the student in Genesis.

I, the instructor, acknowledge that this student has met with me **at the specified date(s) for the specified times**. Content of the lessons includes fundamentals and standard repertoire as deemed fit by the instructor. Private lessons will take the place of in-school lessons, thereby excusing the student from 1 week of in-school lessons for every private lesson taken out of school. **I, the instructor, also agree to periodic informal check-ins with the HS instructor to ensure complementary content.**
